## **Our Mission**

To provide an open access centre point for our community to experience visual arts, to access its diversity, to be challenged and stimulated by it and to celebrate our artists.

We encourage excellence and endeavour to make those familiar with exhibiting their art, and those who offer their new and novel works, to an audience.

It is a forum for discussion, it is educational and exposes us all to the creative expression of our artists, both local and from afar.

### **Opening Night**

Thursday 2nd May 2024

### **Exhibition**

Thursday 2nd – Saturday 4th May 2024

**Open First Prize Sponsor**
